We’re LUCKY to have YOU!

Did you know that in addition to helping people with spinal cord injuries, you change the lives of those living with a wide variety of other mobility-limiting conditions, including Multiple Sclerosis (MS)?

You’re improving the lives of recipients like Corinne and others living with MS. Corinne was officially diagnosed with MS in 1986. Eleven years ago, Corinne opened her door and her life to her service monkey, Glassie. Every day, Corinne sees the benefit of having a service monkey. Glassie is always available to assist by retrieving a dropped object like a remote or a phone. One of the best tasks, according to Corinne, is one they finessed together once Glassie arrived in her home! Glassie has learned to take Corinne’s shoes off so she’s comfortable around the house. Read below to see how Glassie makes her life a bit easier—and a lot more interesting!

March is MS Awareness Month. We invite you to tune in this month on Facebook, Instagram, and Twitter to learn a bit more about MS as we shed some light on this disease.

Thank you for making every day a bit brighter for our recipients. Corinne personally expresses her appreciation for all that you do and continue to do to help adults lead more independent and engaged lives:

My days now are spent with a new purpose. I wake up to a beautiful, silly, sneaky, smarter than me monkey, who brings me so much joy.

Do you know someone who might benefit from having a service monkey? Connect us!

We are advocates for the recipients we serve. Educating the public about the work we do is a major role in our mission. We turn to you, our supporters, to help share our message.

Last Spring, we were fortunate to be featured on the podcast Real Talk MS. Take a listen to host Jon Strum, along with Executive Director, Angela Lett and Director of Monkey Care, Alison Payne discuss the work we do here for adults with MS and other mobility impairments.

We want to celebrate with you! Birthdays. Holidays. Any day. Any occasion is the perfect occasion to create a Facebook Fundraiser! What better way to support your favorite organization and share that love with friends and family?
